

Features That Fit Your Lifestyle

Format challenges conventional design by putting power back in the hands of homeowners. This is a new take on minimalism—one that consciously looks at every aspect of your home to create spaces that better meet your needs. A collection of flexible furniture lets you tailor your home to include what you want, and reinvent your surroundings as your lifestyle evolves.

Progressive Design

Functional, flexible and sophisticated homes • An open canvas to adapt to your lifestyle
Built by Cressey • Interiors by Ste. Marie

Thoughtful Craftsmanship

High-end matte sealed concrete floors • Understated, functional materials provide a minimalist backdrop
Celebrating simplicity and quality materials • Durable surfaces and finishes stand the test of time

CresseyKitchen™

Generous storage & backsplash hookrail maximizes efficiency • Heat- and scratch-resistant DEKTON countertops
Fulgor 30" ceramic glass induction cooktop • Fulgor 30" integrated bottom mount fridge and freezer
Fulgor 24" stainless steel wall oven and 24" speed oven combine for oversize capacity and flexible cooking
Blomberg 24" integrated dishwasher • Moen Align faucet

Sophisticated Bathrooms

Frameless glass shower enclosures • Deep soaker bathtubs • Durable DEKTON countertops
Sophisticated matte black fixtures • Clean, contemporary tiling with contrasting grout
Furniture inspired vanity with sleek hookrail for additional storage

Elevated Amenities

Two distinct open air outdoor patios with barbeque and pizza oven, children's play area,
community garden and panoramic views • Multipurpose workshop • Well-equipped fitness facility
Dedicated, functional co-working spaces • Common areas with ergonomic furniture for meetings, working or lounging
